Factors Instrumental to Success

Project Approach Questionnaire (PAQ)

DSDM Project Approach Questionnaire (PAQ)						
Ref	Statement	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
1	All members of the project understand and accept the DSDM approach (Philosophy, Principles and Practices)					
2	The Business Sponsor and the Business Visionary demonstrate clear and proactive ownership of the project					
3	The Business Vision driving the project is clearly stated and understood by all members of the project team					
4	All project participants understand and accept that on-time delivery of an acceptable solution is the primary measure of success for the project					
5	The requirements can be prioritized and there is confidence that cost and time commitments can be met by flexing the scope of what is delivered					
6	All members of the project team accept that requirements should only be defined at a high level in the early phases of the project and that detail will emerge as development progresses
